One goal: a confirmed reminder from a private source constraint

Local evidence

C2: retrieve / retain fact

Text / call models

C1/C3: reason / propose

Host-enforced gate

C4: authorize action

Tool + receipt

C3/C4: commit / verify

Private notes and state follow a declared boundary

Conditional

Gate / link failure

Eligible

remote help

Defer / fail

Record episode e

Success / deadline + total task energy
